We Still Have Too Many Goods!

Although our recent cut price sales were splendidly patronized, hundreds of our friends securing suits at barely one-half of actual value, we find we still have too many on hand. The stringency of money matters fairly compel us to realize on them. We are going to incur a loss, but we want to make it in as short time as possible. We have about 125 light and medium shade Cassimere and Cheviot Suits, single or double-breasted sacks and cutaways that we have reduced to \$9 50 a Suit. They will be ready to show Thursday, the 20th of July, and the sale of them will continue three days, viz: Thursday, Friday and Saturday, provided they will last that long. These Suits have been selling for \$12 50, \$15 and \$18.

STARTLING INCREASE!

Insanity Last Year.
The increase of insanity last year over the preceding year was startling! Think of it, persons suffering from nervous troubles, such as sick and nervous headache, nervousness, convulsions, neuralgia, apoplexy, dyspepsia, sleeplessness, paralysis, nervous prostration, epilepsy, etc. The outlook would certainly be discouraging for you were there no means of escape. Any of the above difficulties, and many more, are advance symptoms of insanity or some other equally deplorable condition ending in suicide or premature death.
Dr. Franklin Mills, the noted specialist, is devoted over 20 years to the investigation of nervous affections, and in the result of his labors has the only hope of those afflicted with the troubles named. His Restorative Nervine is a positive means of relief if you have any nervous affection attend to it at once. Do not wait till your intellect is shattered or the frenzy of madness overcomes you. Delay is dangerous.
